

## Kitchen Reflections Conversation Starters

- *What's your fondest kitchen memory?*
- *How much time do you spend in the kitchen?*
- *What's the kitchen utensil you love and use the most?*
- *If you were a kitchen utensil, what would you be (and why)?*
- *Do you have a table (or eating spot) in your kitchen?*
- *Does your kitchen have a predominant color or theme?*
- *What's sitting out right now on your kitchen counter?*
- *What's under your kitchen sink?*
- *What would your dream kitchen look like?*
- *Did you leave any dishes in your sink before you came today/tonight?*
